Terms and Conditions: This subscription is valid only for licensed real estate professionals, who are primarily engaged in marketing properties for resale. The subscription will be permanently assigned to the person(s) named at the top of this form and is not transferable, regardless of who actually pays for these fees. You understand that this VisualTour service is offered solely on an on-going subscription basis and will be cancelled automatically, without notice, for non-payment. This subscription is not usage based. Rather it permits you to create an unlimited number of tours for your own personal listings, tours for your buyers, neighborhood tours or for other personal marketing. The VisualTours must be branded to you with the inclusion of your personal photo, contact information and logo banner with up to 3 lines of text in your account profile. Posting of tours for other uses (e.g. tours for other agents, multiple person teams, etc.) shall be cause for immediate cancellation of this subscription. Include subscription payment for additional team members if you want to use this account for a multiple person team. In that case, a team photo and contact information of all subscribed team members will be included in the account profile. Subscription can be cancelled at any time by you from within your VisualTour.com online account. Upon cancellation, you will be sent a Cancellation Confirmation Code to the email address on the account. It is your responsibility to obtain this Cancellation Confirmation Code for your records. Upon cancellation, the software will no longer function and your online account and tours will not be accessible. Any tours and account information will be archived for 90 days after the cancellation of a subscription. You must pay a \$150 reactivation fee in advance to reactivate your subscription and account services. TRF reserves the right to use a copy of all tours. **Subscriber agrees that this account cannot revert to use tokens.** See our Software License and www.VisualTour.com for further terms & conditions.
